### Why me?

This story is related to Dasya Bhakti as described in Shrimad Dasbodh. It gives example of Total Acceptance, which is the core of Dasya Bhakti.

**Arthur Ashe**, the legendary Wimbledon player from USA was dying of Cancer.

From world over, he received letters from his fans, one of which conveyed: "Why does GOD have to select you for such a bad disease"?

To this Arthur Ashe replied: "The world over - 50 million children start playing tennis, 5 million learn to play tennis, 500,000 learn professional tennis, 50,000 come to the circuit, 5000 reach the grand slam, 50 reach Wimbledon, 4 to semi final, 2 to the finals, when I was holding a cup I never asked GOD 'Why me?'".

And today in pain do you think I should ask GOD 'Why me?'
